

MAKE SURE IT'S INNOVATIVE

INNOVATIVE DOOR-JACK

THERE WHEN YOU NEED IT, GONE WHEN YOU DON'T!

NEW Innovative Door-Jack™

I-DJ

Jack be nimble, Jack be quick.

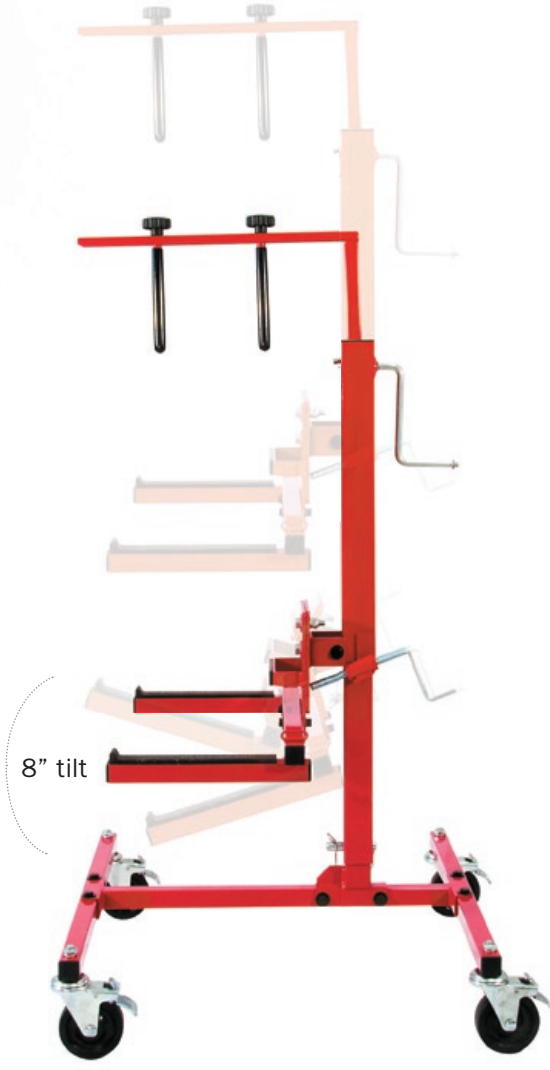

Positioning loads is no big trick.

- > Now one tech can handle big bumpers and doors alone.
- > Industry's only 8" front-to-back tilting adjustment.
- > Ample padding. No metal-on-metal contact, no damage.
- > Adjusts from 7" to 32" from the floor.
- > Custom 4" total-lock, easy-glide wheels for zero movement.
- > No swivel or creep when wheels are locked.
- > Side-to-side tilt adjustment for easy handling.
- > Wide stance for big load stability.
- > Heavy gauge steel with durable powder finish.
- > Three-year limited warranty.
